Demon Killer (WWC3) (Completely negative MFs are always destroying their reputations while always comparing their entire lives to mine verse) (JBM111 of Prod. Sprite Beatz):

Runnin, runnin, runnin, runnin, imma killin’ all of tha evil.
Bein’ quicker than shit while also stayin completely unaffected while they are always bein’ slower than a computers operating system that froze.
Them fake gangstas are tellin’ more lies than a person who is completely broke, gets high on completely illegal variants of marijuana, and drinks all of tha time for maximum depression relief. (JBM)
They strugglin’ not bein’ able to get tha love of their life while stealin’ all of tha completely positive peoples personal info, email address, bank account info, social security number, currency, medical insurace shit, and everything else they have to help themselves stay off tha streets.
I always act like i am struggling with depression, spiritual energy, financial stuff, and completely fake ideas to keep throwin’ em’ off. (JBM)

Never giving up with getting better than tha past that gave me a seriously bad form of PTSD is always showing how i can keep up with doin' all of tha same work i was born to do.
They always call me an asshole, a completely horny motherfucker, completely disrespectful, a kid, and a dumbass for not knowin' anything about life as their only responses for always completely believing they always know more of everything as Google Gemini knockoffs. (JBM)
Ya'll always get completely out of touch with reality, and keep lieing about everything that keeps comin' out yo brain. (frontal cortex) (JBM)
They always get in trouble with law enforcement, get divorced by their husbands, lose a legal dispute, their boyfriends, their job, or develop a bad health condition that depending on what it is will always do its own damage.
I always belong in tha ATL, cause i grew up in it, know everything that comes to mind about it, and still live in it at tha age of 24. (25 as of 2026) (JBM)
Me, MoistCr1tiKal, my cousin Blazen, Alinity, tha entire McCadden family, Barnette family, Fuller family, and everyone in tha entire MoistCr1tiKal crew are not idiots about every form of complete negativity no matter what they are.

All imma doing is acting, and following my plans on how to keep completely proving how dumb they always are. (JBM) Professional acting, and screenwriting to always show completely fake shit is always tha right thing to do in these situations. (JBM)
We all have tha right to do anything we have completely learned how to do, and now can always be professionals at what we dreamed of doing since we were children.
I am tha last Japanese American newschool Los Angeles Blood gang variant member that is still alive, and will neva stop doin’ what i always do professionally. (JBM)
Age does not matter with ya’lls wisdom, and how famous you are, or not. (If ya really do get famous from it)
When ya do completely stupid shit no matter what it is that is always completely negative will completely destroy yo entire reputation, and completely force yo mind to go in complete panic mode to build it back up.
Leave me alone completely stupid motherfucker, go get a real life, do not tell lies about me, and stop comparing it to mine ya completely negative motherfucker.

Hook (JBM111):

We are speeding up quicker than a muscle car on a drag strip, drift racing track, and a regular race track.
Activating tha nitrous, and going full throttle.
Zooming past tha finish line, and hitting tha brakes.
We are full of nonstop talent, skill, and knowledge.
We will neva stop! (JBM)
